Meeting commenced by welcoming Dan as our newest member to the Commission. Clerk's and Treasurers reports were read and accepted, voice vote. In addition to Treasurers report, bill reviewed the funds held by the Commission and Rick reviewed the funds managed by the Town, per 2014 Town Report.

A memo was read from Selectboard and Town Clerk on VT Open Meeting Law requirements.

Mowing contract was signed by the Commission for Winget's Lawncare of Groton for the 2015 mowing season.

Bill will contact Green Mountain Power to reconnect the power to Pinehurst water supply.

Cemetery by-laws were updated and reviewed. Passed by voice vote with minor corrections. Copies will be available at Town Clerk's officer and any commissioner. Mandatory purchase of corner stones will increase to \$150.00, which includes manufacture and installation. Tony Dennis has agreed to install them.
